Steve McKinnon, Chairman

Litter Crew Supervisor Grade VIII

Division

Dale County Commission
County

Department

Solid Waste

Reports To

County Engineer

Job Summary

Supervises the Litter Crew on County roads; performs directly related work as required. The principal function of an employee in this class is to supervise the County Litter Cleanup Crew. The work is performed under the direct supervision of the Road and Bridge Superintendent, but some leeway is granted for the exercise of independent judgement and initiative. The nature of the work performed requires that an employee in this class establish and maintain effective working relationships with other County personnel, Alabama Department of Corrections personnel, Work Release Inmates, and the general public. The principal duties of this class are performed in an outdoor work environment with potential personal hazards.

Duties and Responsibilities

Places signs where needed to maintain safe work zones for litter pickup.

Maintains responsibility for assigned vehicle, including maintaining an awareness of all activity around the equipment and practicing defensive driving when in pedestrian and vehicle traffic.

Provides needed information and demonstrations concerning how to perform certain work tasks to work release inmates.

Transports work release inmates to and from work camp each day.

Supervises, and assists with litter and trash removal and disposal from Dale County roadsides and other locations, as directed.

Hauls litter to solid waste disposal facility on Bivens Road.

Keeps immediate supervisor, County Engineer and designated others fully and accurately informed concerning work progress, including present and potential work problems and suggestions for new or improved ways of addressing such problems.

Attends meetings, conferences, workshops and training sessions and reviews publications and audio-visual materials to become and remain current on the principles, practices and new developments in assigned work areas; Receives training from Alabama Department of Corrections.

Responds to citizens' questions and comments in a courteous and timely manner.

Communicates and coordinates regularly with appropriate others to maximize the effectiveness and efficiency of interdepartmental operations and activities.

Performs other directly related duties consistent with the role and function of the classification.

Knowledge, Skills and Abilities

Some knowledge of the operation and maintenance of the tools and equipment designated in the light equipment operator classification.

Litter Crew Supervisor

Knowledge, Skills and Abilities Con't

- Some knowledge of traffic hazards and traffic safety principals, practices and procedures.
- Some knowledge of proper lifting techniques and personal protective equipment required for road construction and maintenance.
- Ability to safely and effectively supervise work release inmates.
- Ability to learn and comply with the rules of the work release facility for working with inmates.
- Ability to operate motorized vehicle utilized to perform duties.
- Ability to comprehend and follow safety rules and regulations.
- Ability to communicate effectively with others, both orally and in writing, using both technical and non-technical language.
- Ability to understand and follow oral and/or written policies, procedures and instructions.

All Competencies

- Adaptability & Flexibility
- Customer Service
- Oral Communication & Comprehension
- Planning & Organizing
- Professionalism & Integrity
- Self-Management & Initiative
- Teamwork & Interpersonal
- Training & Facilitation
- Written Communication & Comprehension
